Because it is a fast-paced program, you will need to “hold on to your hat.” Literally! You’ll get a paper hat at the beginning. Each time you attend a workshop, you’ll get a sticker for your hat. At the closing, everyone who has all 5 stickers will be eligible for prizes like gift cards to restaurants or fun places. So, be ready to “hold on to your hats.”

A whole casserole is too much so we offer **A Bite of The Casserole** every week or two. We welcome ideas for short articles of interest to people working in their faith congregations on issues of addiction and mental health. Working together we will defeat stigma and shame.
