7/11/2022

### Faith Partners Comprehensive Training For Teams and Individuals

Thursday, August 11, 6-8:30 p.m. & Saturday August 13, 9-4:30

**WHAT:** This training will help you develop a ministry for alcohol/drug and mental health issues by building a system based on your congregation's strengths and theology.

**WHO:** People in your congregation who want it to **play its own important role in these issues.**

**WHERE:** Eastridge Presbyterian Church 56<sup>th</sup> & Margo in Lincoln

**WHEN:** Thursday, August 11, 6-8:30 p.m. & Saturday August 13, 9-4:30

#### **WHY: OR SOME STUFF YOU WILL LEARN:**

- How widespread and spiritually damaging alcohol/drug and mental health issues are.
- Why the team approach is the best way to build a permanent approach to these issues.
- **Why addressing alcohol/drug problems is a spiritual matter as well as a social and health issue.**
- The unique service faith congregations can offer on dependency and mental health.
- How effective prevention works and how your congregation can do it.
- The strong theological basis for this work
- **The nine things a team must do first (but that's impossible!!)**
- Why worship services celebrating recovery and prevention are important.
- How Faith Partners provides ongoing in-person support to teams as they weather their early years.

**COST: Free:** Major support is through SAMHSA Partnership for Success Grant (PFS# 79-SP08090988) DHHS Division of Behavioral Health and Region V Systems.

A whole casserole is too much so we offer **A Bite of The Casserole** every week or two. We welcome ideas for short articles of interest to people working in their faith congregations on issues of addiction and mental health. Working together we will defeat stigma and shame. Faith Partners is a program of Region 5 Prevention Systems 1645 N St. Lincoln, NE.
